23

The image shows a handwritten musical score on page 23. The score consists of four systems of music. The first system features a red illustration of a figure in traditional dress. The vocal parts are written in black ink, with lyrics in Czech: "li Tu i - a A li", "tu i - - a A li", "lu i - a A slava Ti - - e", and "Dum ne ze - - - u - -". The piano accompaniment is written in black ink below the vocal parts. Red ink is used to highlight certain notes and lyrics, such as "A", "slava", and "Tu". The score is on a light-colored background.

४

The image consists of ten sequential frames showing the growth of a bacterial colony. Frame 1 shows a single, isolated cell. By frame 2, it has divided into two. In frame 3, the cells are more numerous and begin to form a small cluster. Frame 4 shows a more distinct, elongated group. Frame 5 displays a more complex, branching structure. Frame 6 shows the colony becoming more dense and organized. Frame 7 shows a clear distinction between the core and the periphery. Frame 8 shows the colony reaching a maximum size. Frame 9 shows the colony starting to disperse. Frame 10 shows the colony as a dense, multi-layered mass.
