Споди воззвах к тебе услыши мя
Внуши гласу моления моего внегда воззвати ми к тебе
Да исправится молитва моя яко кадило пред тобою
Воздвижение рук моих жертва вечерняя
Положи господи хранение устом моим и дверь крепку ограждающую уста моя
Не уклони сердца моего в словеса лукавствия
Еже оправдатися оправданиями твоими в век воздаяния
Господи воззвах к тебе услыши мя
